My dear Madam

I have asked a few  
singing friends to join us at  
Fusham College tomorrow evening,  
that we may have some Glee.

You know what a treat it would  
be to them if me to hear Spoke  
and you play: but I am scrupulous  
of asking him; as, perhaps, he  
would rather not.

You, perhaps, know whether it would  
be agreeable to him. If you think he  
would rather not play, pray do not  
mention my wish - Believe me

My dear Madam  
Yours sincerely  
Edw. Taylor
