How much I have missed you
and how often the wish has been yours
to know how well you have been.

I cannot tell you how often I have imagined how glad I
was to get your little note, in spite of having been so long
without hearing from you. And being, though you both laugh at me

My husband lately lived with her and her two
sons and their wives, and had she was as
happy as ever. The political in Britain is
getting worse and more interest, and parties
are breaking up into separate circles all being
hanging opinions, and all going too far. Now
this is to end nobody knows! Surely such
a state of affairs were before excited and
is likely to continue for some time until
there is some time of that on one side or
other. Has your sister learned Italian?

If you meet Mr. Charles Krummel give
my kindest regards. More than twenty years
