My dear Madam

I have asked a few
singing friends to join us at
Fusham College tomorrow evening,
that we may have some Glee.

You know what a treat it would
be to them if me to hear Spoke
and you play: but I am scrupulous
of asking him; as, perhaps, he
would rather not.

You, perhaps, know whether it would
be agreeable to him. If you think he
would rather not play, pray do not
mention my wish - Believe me

My dear Madam
Yours sincerely
Edw. Taylor
